

Our aim is to provide you with the best possible Wi-fi within our Parks. Our Partner Camping Connect can deliver a Super-Fast dedicated internet connection directly to your home. They don't use phone lines. They use ultrafast fiberoptic and then beam the internet to your home using the latest technology. There's no need for wires so you can get connected to high-speed internet with little hassle....plus your own router.

- Unlimited Data up to 10 Mbps
- Designed to work with Smart TV's and Consoles - Perfect for streaming Netflix, Amazon, NowTV, SkySports
- Personal Router which provides reliable signal throughout the environment
- Compatible with Smart Gadgets such as Alexa, Google Home, Apple Watch, Fitbit
- Always on - Devices stay connected -
- No more loginscreens
