

INTRODUCING THE LAVER LEISURE OWNER'S APP

We are delighted to announce that the Laver Leisure App is now LIVE! Available from both the Apple and Android/Google App Stores the App will allow you to check your statement or pay your rent. Later this season it will allow you to order and pay for gas, order pizza and take-away food or request a maintenance job.

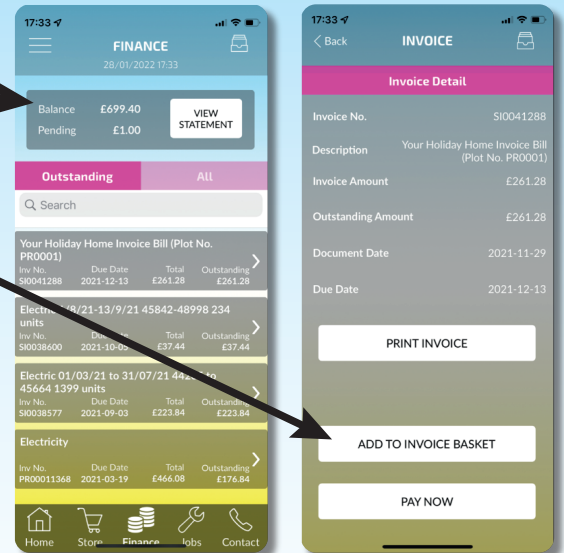

Here are the steps you must follow in the correct order to get access to the App.

- Email a request to us at Owner@laverleisure.co.uk – please put "Owner App" in the Subject box and then tell us your Park and Plot number in the body of the message.
- We will email to you an Activation Code
- Download the App to your mobile device by simply typing "Laver Leisure" into the search bar in the App Store and it will bring up our App with this logo
- Open up the downloaded App on your mobile device
- Tap "Received an invite? Register here" which can be found at the bottom of the opening page of the App
- Enter your email address, a password of your choice and the activation code we have sent you
- Hit the "Activate" button and you'll see the name of your account, your o/s balance and any active jobs that you have requested. (Jobs will be switched on in March).

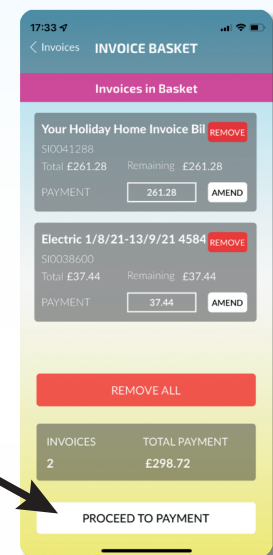

- If you want to pay the balance of your rent then tap the box that says “Balance”.

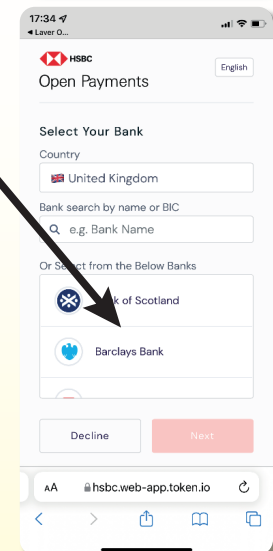

Tap the invoices that have outstanding amounts to pay and then “Add to Invoice Basket”

- When you have added all the invoices you want to pay into the basket then tap on the basket in the top right hand corner and it will display the invoices you have placed in the basket. Then tap “Proceed to Payment”

- This will then take you to the Open Payments page. Where you select your Bank from the list of available banks.
(Some banks do not operate Open Payments at the moment and so if your bank is not listed you will need to call the Office to make payments)

- You will then be redirected to your bank’s payment App and it will ask you to enter your password and confirm the amount. Simple!
